Control and Transparency

We are eternally grateful to the **Fundación Internacional de la Comunidad, A.C.** and the **International Community Foundation** for their great assistance in providing a transparent framework for the reception of all monetary donations. Every donation that enters Let's Help Tijuana is received by a bank account of this great organization that leaves complete clarity as to what monies enter our cause, and how that money is spent.

We also have the support of the International Firm of Public Accountants, **CROWE**, represented in the city of Tijuana by **GOSSLER, S.C.**, which will validate and attest to all the donations received as well as their use.
